

LA MARINA FOODS

Established in 1992, La Marina Foods have grown into one of the largest and most popular suppliers of local and imported seafood, crustacean, delicatessen products and a market leading retail outlet. We boast with a state of the art factory which is in the process of being HACCP accredited.

Proudly associated with "Loch Duart" we import only the finest Scottish Salmon from this award winning company. Our product list ranges from Atlantic King Crab, Blue Water Tuna, Luderitz Oysters, Razor Clams, Scallops, LM Prawns and West Coast Rock Lobster. Our retail outlet is always stocked with Beluga Caviar, Imported Cheeses, Iberico Ham, Hand Crafted Preserves and the freshest SUSHI in town.

Offering exceptional service to ensure customer satisfaction is our forte. Filleting fish, shucking oysters, cleaning calamari and efficient delivery is only a glimpse of the services we offer EVERY customer. Quality of products and professionalism is our cornerstone, always striving to ensure increased popularity within the restaurant, catering and residential markets.
